

Grassroots: Students Going Green 2010

Final Report

Reports must be submitted by April 2nd. Finalists will be contacted to schedule a school visit to evaluate your project in person. Winners will be announced on April 16th and prizes will be awarded at the Earth Day Omaha celebration.

In order for your project to be considered for the prize money, you must complete a final report. The report should be completed by the student (s) representative (s). Your final report should answer the following questions:

What is your project?

Why did you choose this project?

How many people worked to make this project a reality?

How did you figure out how to complete it? (Did you consult experts in this field? Is it based on another model?)

What were some challenges you faced?

How did you measure your impact?

What is the impact? (Does it affect just a few students, entire school, entire community?)

How would you expand upon this project with the prize money?

For more information regarding your final report, please contact Kelly Smith at 402-677-8402 or emailkellysmith@gmail.com.
